

# About Company

Jabal General Contracting Company was established in 2009 and quickly became a leader in printed concrete and decorative works.

The company provides equipment rental services in addition to effective industrial support. We are committed to providing light and heavy equipment for various construction activities from the initial stages until the completion of the project. Our services cover all regions of the Kingdom of Saudi Arabia, and our offices are in the city of Al-Khobar in the Eastern Province.

We always strive for excellence, and we are proud of our company based on trust with our clients to achieve their projects successfully and on time

Our motto is customer satisfaction, which is the focus of our approach and vision.

### Mission

To provide quality products & professional services to our customers.

"your Trusted & Rellable Construction Equipment Supplier".

### Vision

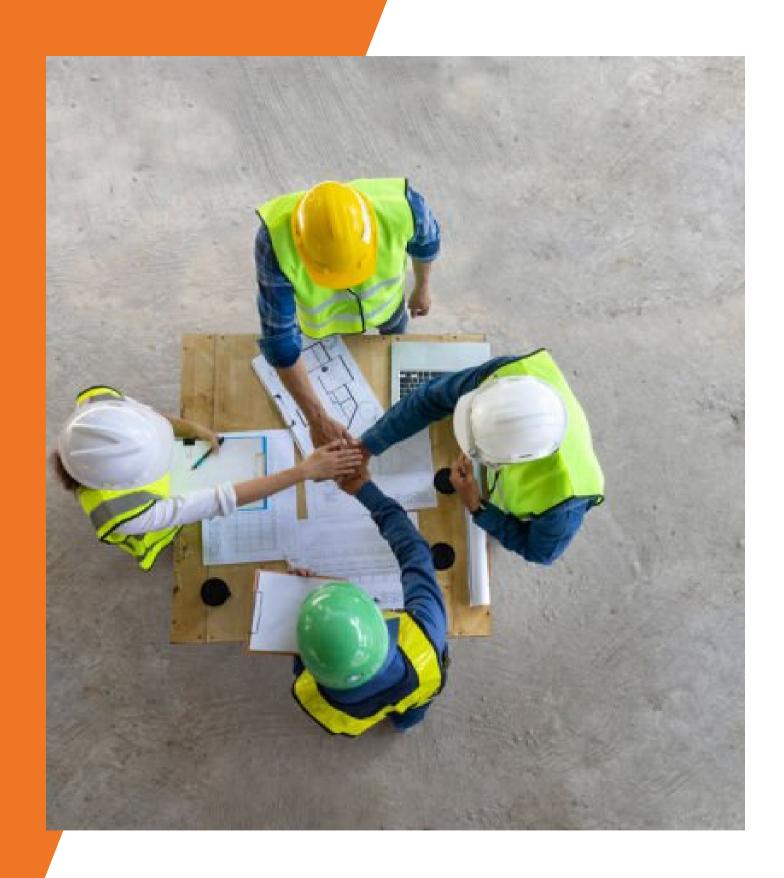

To Achieve the Highest Level Of recognition as "Professional Rental Equipment Provider"

# Quality and safety policy

Quality and safety are among the most important elements that we place among our priorities and we cannot neglect them. We have also been providing contracting, maintenance, and operation work for many years, and we are working to improve the quality of all our work with an excellent safety quality system that keeps pace with ongoing challenges and is in line with different customer requirements.

Our quality policy is based on continuous inspection and regular monitoring of various tasks. We track the progress of performance indicators for all employees and regularly measure customer satisfaction with the services we provide. In addition, we ensure that all necessary safety and security measures are taken.

### Our Goal

At Jabal Company, our main objective is to establish long-term partnerships with our customers across different regions in the Kingdom of Saudi Arabia. We are committed to meeting the needs of our current and future customers by striving to expand our services and reach every corner of the Kingdom. To achieve this goal, we have an organized plan that guides our activities.
